 Ciències de l'Educació  
 i de l'Esport

The conference is organized within the activities that the Working Group 4 "Family Life" of the Strategic Alliance of Catholic Research Universities, develops during the Family Amoris Laetitia Year.

This conference presents researchers from six SACRU member universities who will present the results of their research on the impact that both COVID-19 and the consequent lockdown have had on families.

The conference program is divided in two round tables that will review the impact of the pandemic and lockdown in various countries on three continents: Europe, America and Asia.
